

AN ORDINANCE ESTABLISHING THE AMOUNT TO BE CHARGED BY THE COUNCIL OF THE VILLAGE OF GEORGETOWN, BROWN COUNTY, OHIO, FOR THE RESTORATION AND MAINTENANCE OF STREETS, ALLEYS AND OTHER PUBLIC WAYS INCLUDING SIDEWALKS WHICH ARE IN ANY MANNER AFFECTED BY THE INSTALLATION OF A CONNECTION TO THE SANITARY SEWER SYSTEM OF THE VILLAGE OF GEORGETOWN, OHIO.

BE IT ORDAINED by the Council of the Village of Georgetown, Brown County, Ohio,

SECTION 1. That every person, firm or corporation making a connection to the municipal sanitary sewer system, commonly known as a "Sewer Tap", shall from and after the effective date of this ordinance procure from the Street Commissioner of the Village of Georgetown, Ohio, a written permit authorizing an excavation in said street, alley, sidewalk or other public way in said Village and said applicant for such permit shall pay as a fee therefor and further to cover the cost of resurfacing said street, alley, sidewalk or other public way the sum of Thirty-Five (\$35.00) Dollars, no part of which shall be refunded to said applicant upon the completion of said work, and a permit shall be procured for each separate excavation.

SECTION 2. That the Street Commissioner of the Village of Georgetown shall supervise and inspect each such connection to the sanitary sewer system and further supervise the refilling of such excavation which such refilling shall be done by the permit holder, his agents or employees, by placing the filling material in said excavation in layers not more than Six (6") inches thick and each of which said layers of filling material shall be wet with water and securely tamped in place until such excavation is filled to the bottom of the surface of the street and the remainder of the excavation shall be filled by said permit holder with gravel or crushed rock as directed by the Street Commissioner of the Village of Georgetown and thereafter all maintenance and repair to the surface of the street, alley, sidewalk or other public way over said excavation shall be done by and at the expense of the Village of Georgetown, Ohio; *such connections shall be made by means of Y or saddle which shall be properly cemented.*

and made ~~tight~~ water tight.
SECTION 3. Each opening into the surface of any street or alley in the Village of Georgetown, which street or alley has a black-top, concrete or other hard surface thereon shall have said hard surface material removed for a distance of twelve (12") inches from each edge of said excavation

SECTION 4. That the amount herein fixed to be charged for said permit and the maintenance and repairs of the streets, alleys, sidewalks and other public ways, and the supervision and inspection of all connections to the sanitary sewer system of said Village of Georgetown, Ohio, shall be for each separate excavation whether the same be for the installation of a new

connection to the municipal sanitary sewer system or the maintenance and repair of existing connections to said sanitary sewer system.

SECTION 5. That any person, firm or corporation failing to first procure the prescribed permit and paying the fee therefor// shall, upon conviction, be fined not less than Thirty-Five (\$35.00) Dollars and the costs of prosecution, nor more than One Hundred (\$100.00) Dollars and the costs of prosecution.

SECTION 6. That all ordinances or parts of ordinances in conflict herewith be and the same hereby are repealed.

SECTION 7. That this ordinance shall be in full force and effect from and after the earliest period allowed by law.
